TECHNICAL PROFILE

A BS Information Technology Magna Cum Laude graduate specializing in frontend development and web architectures. Experienced in building responsive web applications using React, managing backend systems with Python and Django. Certified in hardware infrastructure and network troubleshooting through TESDA NC II.

EDUCATION

Bachelor of Science in Information Technology

City of Malabon University
A.Y 2022 - 2026

Academic Distinction: Magna Cum Laude
Honors: President's Lister (Academic Years 2023–2024, 2024–2025)

INTERNSHIP

Transfer It! - Main Office Sta. Cruz, Manila

- Website Developer (DecoNetwork)
- Banner and Publication Materials Editor (Canva & Adobe Photoshop)
- Social Media Video Editor (Capcut & Filmora)

TECHNICAL SKILLS

- **Programming Languages:** JavaScript (ES6+), Python, Java, PHP, HTML5, CSS3
- **Frameworks & Libraries:** React, Django, Laravel (Working Knowledge)
- **Tools & Platforms:** GitHub, Google Workspace
- **Networking & Hardware:** OS Installation, System Diagnostics, Hardware Troubleshooting (TESDA NC II)

TECHNICAL PROJECTS

Predicting Dengue Hotspots in Malabon City through AI and Integrated Weather-Case Analysis

Lead Developer, Aug 2025 – Oct 2025

- Architected a localized predictive analytics application using Django, engineered entirely for local, single-device deployment.
- Developed a Random Forest model with Pandas pre-processing to forecast transmission risks across specific Malabon City barangays.
- Integrated the Open-Meteo API to extract historical and real-time weather data for multivariable environmental correlation.
- Implemented an interactive Leaflet.js dashboard featuring color-coded risk maps to visualize outbreak severity by neighborhood.
- Structured a lightweight SQLite3 database optimized for rapid localized querying of environmental and epidemiological data.

TRAININGS AND SEMINARS

- **National Certificate II (NC II)** – Computer Systems Servicing 2026 Technical Education and Skills Development Authority (TESDA) Training Center: Viva Excel Institute Inc.
- **Participant**, International Research Conference on Social Sciences, Education, and Tech Innovation April 2026 International Organization of Educators and Researchers Inc.
